

## FRITSCHÉ –AP–

### Work Plate

Use the Fritsche Work Plate to get the best results from your **A,Z&F**.  
Punching, Centering and Forming Tools.

It is made of high-quality tool steel, hardened and ground smooth.  
A frame of hand-crafted beechwood makes for a perfect ensemble.

Please be sure to keep the work plate lightly oiled at all times

**Take care of your tools, and they will last you a lifetime!**
